Sharing was the best thing about Christmas (*Interim Report*)

Dear Friends and Supporters of CandleAid,

Christmas has come and gone and 2024 has got off the blocks guaranteeing the hungry gets hungrier in Sri Lanka.

The three wise men travelled to the manger in Bethlehem with gold, frankincense and myrrh.

We, from CandleAid, went to the lowly with rice, dhal, milk powder and tins of Jack Mackerel sardine etc. bearing gifts of rations worth LKR 10,000 per pack.

“Whatever you do to the least of them in my name, you do for me” so says the good Book.

A total of 170 families from all over Sri Lanka received the dry ration gifts. The recipients were from all races and all religions. Currently, we have a remaining balance of LKR 199,729 (equivalent to 19 bags of dry rations) which will be allocated to handpicked deserving families.

Thank you everyone. Our heartfelt gratitude to all those who participated.
